

Public Safety Institute

Emergency Medical Technician (EMT)

The Emergency Medical Technician (EMT) course prepares students with knowledge and skills to provide basic level emergency care in a pre-hospital setting. Aligned with the National Education Standards for AEMT as approved by the PA DOH (Pennsylvania Department of Health).

Students will learn:

Emergency care for cardiac arrest
Trauma emergencies
Oxygen administration
Medication administration

Medical emergencies
Patient assessment techniques
EMS Operations
Pharmacology for emergency care

Geriatric emergencies
Medical Terminology
Pediatric emergencies

Class Requirements:

- Students must be at least 16 years of age.
- Attend a mandatory Haz-Mat awareness class.
- Complete the FEMA independent study course for NIMS-100 & NIMS-700.
- Students must obtain, at their own expense, a physical examination from a physician and blood screenings (PPD, rubella and Hepatitis B- antigen and antibodies). Required to begin clinical requirements.
- Students must obtain, at their own expense, the following: Pennsylvania Child Abuse History Clearance (Act 33), Pennsylvania State Police Request for Criminal Records Check (Act 34) and FBI Criminal Background Check (Act 73).
- Completion of 10 patient contacts in approved setting prior to the final course date.
- Students must be able to meet all requirements for the Functional Position Description for EMT. The course includes classroom sessions, skill labs, and required clinical rotations in hospitals and ambulance services. Call 412-237-2500 if you need the Functional Position Description or ADA Accommodation Policy.
- For further information call 412-237-2500 or email psi@ccac.edu
