

Virtual Pediatric Conference

September 15, 2020

8:00 am

UPMC Prehospital Care will be presenting a Virtual Pediatric conference digitally in an effort to limit the risk for COVID 19 exposure while providing education to our Prehospital partners.

We will be utilizing Microsoft Teams as the platform for you to view the lectures with your laptop or PC. You will also need to have a smart device available. There is no fee, download requirements or log in required to participate.

- 8:00 am BRUE - Scary for Parent and Providers
David LaCovey, EMT-P
- 9:00 am Seizure Management
Kyle Schmucker, MD
- 10:15 am Back to the Future: Vaccine Preventable Disease
You Get on a Run
Andrew Norwalk, MD
- 11:45 pm All that wheezing isn't Asthma
Dr. Angelina Cercone, MD
- 1:30 pm Pediatric Case Reviews
Sarah Anderson, DNP, CRNP, CFRN, PHRN

To register, please scan the code with the camera feature of your smart device and provide your information.
